

2025 LOGGERS' EXPO
Northeastern Forest Products Equipment Exposition
Bangor, ME

Hospitality and Meeting Space

The Cross Insurance Center has many meeting rooms and function space available for rent. The Loggers' Expo is utilizing most meeting space, but there is some space available for exhibitors to use for their own social/meeting purposes. The Loggers' Expo must approve any assignment of social/meeting space.

Space may be utilized for –

Receptions and meetings – Generally, these functions should be scheduled not to conflict with Loggers' Expo exhibit hours. Expo staff will consider each request on a case-by-case basis.

Exhibitor Hospitality Rooms – These hospitality rooms would allow exhibitors to set up a meeting space in the Cross Center for their customers and prospects. The exhibitor will work with Cross Center staff for room set up, food, beverages (including alcohol), etc. Food and beverage consumption will be restricted to the hospitality room. The Loggers' Expo retains final approval over the assignment of any space.

For information about available meeting space and costs, please contact –
