**MONTANA TRACK CLAWS, Incorporated**

**Hundreds of Satisfied Customers Coast to Coast**

Track Claws are reusable, quick connect traction devices that require no welding or cutting.

Their unique "V" design provides penetrating traction while minimizing side slippage for improved safety.

Track Claws can be installed in minutes using only a ratchet and socket. No pad bolts are used in the installation - they bolt through the clean out hole using a special bottom plate (included) and a zinc plated grade 8 bolt.

Durable and reusable, Track Claws are made of higher grade material than track pads. Then they are heat treated creating a durable product that can be reused many times.

Track Claws are available for all popular styles of track pads including single, double and triple grouser bar styles. For pads without cleanout holes, a template will be provided.

**What is the DC Fly-in?**

Each year the American Loggers Council (ALC) organizes a trip for members of the logging industry in Washington DC to meet with politicians and discuss industry issues. As a member of the ALC, The Northeastern Loggers' Association (NELA) participates in this event by gathering industry volunteers from states in the Northeast.

This is an opportunity to educate lawmakers and influence their decision-making. Over 2-3 days, volunteers meet with members of the House of Representatives, congressmen, and congresswomen. NELA schedules several meetings for each state's volunteers (approximately 20 minutes each). During this meeting, you'll introduce yourself, talk about the issues that you face daily in your work, and discuss laws you hope to be carried out or legislation that you believe would hurt your cause. This is where you can make your voice heard.

**When:**

This year the legislative fly-in will take place the first week of April. Keep an eye on our social media channels and your inbox if you're an e-newsletter subscriber – we'll announce the exact dates as soon they are official.

**Interested?**

Contact us for more information or to be put on our volunteer list. Email [jphaneuf@northernlogger.com](mailto:jphaneuf@northernlogger.com) or call (315) 369-3078.

Rhode Island loggers Bob Thurber and Bob Verrier after successful meetings with lawmakers in Washington DC last year.

**CATCH UP ON THE NORTHERN LOGGER PODCAST**

Podcasts are a great way to catch up on news and stay entertained during your commute or while working. Our archive of episodes includes tips on forest business management, interviews with successful north woods loggers, chats about invasive species management, and more. We're always looking to hear from readers and listeners for ways to improve our podcast and bring you the news and entertainment you want! You can listen to *The Northern Logger* podcast on iTunes, Spotify, Google or Apple Podcasts, or on our website: **northernloggerpodcast.com**

**DO YOU FOLLOW THE NORTHERN LOGGER?**

Find us on Facebook and Instagram. We'll keep you up to date on the latest industry news, as well as post exclusive photos, videos, and analysis of the industry in the Northeast and Lake States regions.
